## **APREAMARE SMERALDO 45**

Tradition, the essence of the brand, finds itself expressed with particular attention to the characteristics of the shipyard in the Apremare Smeraldo 45, a fully Mediterranean classy cruiser, in full compliance with the walkaround philosophy.

The Smeraldo 45 offers numerous elements that favor open spaces to offer a unique quality of life on board. The naval architecture and hull geometries arise from the long experience of Apremare, already responsible for most of the shipyard's successful projects.

Smeraldo 45 is a boat which, faithful to its maritime tradition, combines comfort with excellent navigation qualities and safety at sea.

The deep V hull was designed to accommodate the Volvo Penta IPS azipodal feet.

Perfectly maintained vessel, in impeccable condition, powered by Volvo Penta IPS 600 with 2×435 hp. The maintenance and upgrades carried out over the years have been countless and always accurate: zero cups 2023, new Raymarine Tuch Axiom+ 12" cartographic GPS 2023, teak deck redone in burma teak in 2023, dinette sofa covers from 2023, and much, much more.

Impeccable conditions. Boat to see.

## **LAYOUT**
